

MULTIROOM

HOME OFFICE AND GARDEN ROOMS

ADMAN
STEEL SHEDS

MAXIMUM STRENGTH

Fabricated centre support beams combined with galvanised structural steel framework.

TILE ROOF EFFECT

to provide a softer finish.

FULLY INSULATED

40mm insulation throughout walls and roof along with 25mm floor insulation as standard.

INTERNAL PANNELLING

Finished with a heavy duty tongue and grooved timber panelling ensuring a warm and cosy building.

CERTIFIED ELECTRICAL WORK

Fully wired with sockets and lights ready to be connected to mains electricity.

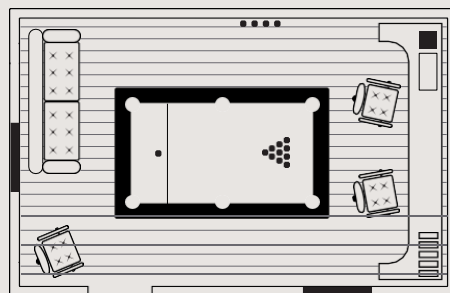

Our **MULTIROOM** garden rooms are ideal for use as a home office, treatment room, hobby room, home gym, utility room or children's playroom. These are designed and built to a very high specification with fully insulated roof, walls and floor as standard. The convenient build options such as internal partitions and doors along with flexible positioning of external doors and windows make these buildings even more flexible.

BETTER BUILT BY ADMAN

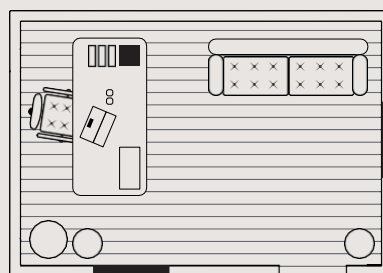

- **CERTIFIED ELECTRICAL WORK**
Fully wired with sockets and lights ready to be connected to mains electricity. All electrical work is certified by a registered electrician.
- **SUPERIOR FINISHES**

HOW TO ORDER

STEP 1: CALL OR EMAIL US.

We can normally answer your queries over the phone and give you a quote within three minutes.

STEP 2: REQUEST A SITE VISIT.

We can arrange for one of our sales staff to meet you at home and explain everything in detail. This is a free service so if you are unsure about site access, base requirements and pricing, positioning of your building or even colours please avail of it.

STEP 3: PLACE YOUR ORDER

Once your site visit is completed we both should have all the relevant details required to proceed with ordering. An order form is completed detailing the size, layout, colour, agreed fitting date etc. To complete and secure the order a non-refundable booking deposit is then required.
