

Durastore

Steel Sheds and Garages

Our maintenance free Durastore Steel Sheds and Garages are designed and constructed with the most extreme conditions in mind, boasting a build quality and strength superior to any other building of this type, so it can stand up to the harshest conditions.

These are the perfect garden storage solution for all of your family's general, household and garden equipment. Available in a wide variety of sizes and colours, with flexible build options for positioning doors and windows to suit your site and needs.

A rebated concrete base is required for all of our Durastore Garden Steel Sheds and Garages.

All Steel Sheds include FREE Nationwide delivery and professional assembly.

BETTER BUILT BY ADMAN

- **Heavy duty materials:** heavy duty galvanised structural steel framework combined with

fabricated centre support beams for maximum strength.

- **Superior finishes:** safe edge folds on all exterior flashings; external screws finished with protective colour caps and non-drip roof sheeting.
- **PVC gutters & downpipes** fitted to all DURASTORE buildings
- **Maintenance free exterior:** PVC coated in a choice of colours.
- **Window & door options:** roller garage doors, steel pedestrian and double opening doors, steel security and double glazed PVC pedestrian doors and choice of windows.
- **Natural light:** optional UV protected polycarbonate clear roof panels positioned on either side of the roof.
- **Smart storage options:** such as bike and tool racks, workbenches and shelving units.

Made to order in our Manufacturing facility in Co. Wexford
